A Message from the Governor

Greetings,

As your governor, I have enjoyed visiting many of the fairs and shows across the great state of Maryland. Our state is home to a rich agricultural heritage, and these events provide a great opportunity to showcase our rural communities.

The agricultural fairs and shows that take place in each corner of our state every year celebrate our past, present, and future. Whether you live in one of our rural communities, growing suburbs, or in Baltimore City, I encourage all Marylanders to get out and attend at least one of these great events this season.

I hope you take some time to look through this brochure and see the many different hands-on lessons and experiences available across the state. Fair and show season is a great opportunity to get together with family and friends and learn something new about our state's robust agriculture industry and proud farm communities.

See you at the fair!

Sincerely,

Larry Hogan Governor
